BABABOP

Part-time work helps me develop communication skills, manage my time effectively, and learn responsibility for my tasks.

Education

Graduated degree

2018

Trung Lap Thuong High School

I successfully completed my high school course at Trung Lap High School, where I not only honed a diverse range of academic skills but also developed my personal growth. Through various challenging courses and extracurricular activities, I acquired many different academic abilities that have helped perfect myself. My experience at Trung Lap High School has provided me with a strong foundation for future academic and professional endeavors. The rigorous curriculum and supportive environment allowed me to explore my interests and excel in multiple subjects, ultimately shaping me into a well-rounded individual ready to tackle future challenges.
